## BIOGRAPHY

The marine painter Jacob Adriaensz Bellevois was born about 1620 or 1622 in Rotterdam. His teacher is not known, but the influence of Julius Porcellis (c. 1609–1645), who worked in Rotterdam, seems apparent in the monochrome tendencies evident in his style. Bellevois presumably lived and worked in Rotterdam at least until after the death of his first wife, Cornelia Vythoecs [Uithoeks], in 1652. Three years later he married Maria 't Hert from Gouda. A document indicates that he was living in Gouda in 1671. Around 1673 or 1674 he is mentioned as being in Hamburg. He was buried in Rotterdam on September 19, 1676.
